## Fall Treatment Specials so delectable, we extended them through November...

*Very Velvet*  
MASSAGE

We get it. Pumpkin patch exploring and apple picking can be very daunting tasks, leaving muscles feeling strained and tired. May we suggest a pampering session with this soothing shea butter massage with notes of cinnamon and cream?

*Bourbon*  
MALT  
muscle melt

Fall back into relaxation! Tired muscles are greeted with a vitamin E and coconut oil compress to replenish hydration before a shea butter and Madagascar vanilla-infused massage released all tension.
